# UNOS Connect

The screenshot shows the UNOS Connect website interface. At the top left is the UNOS Connect logo. On the top right, there are login fields for Username and Password, with a Login button and links for 'Forgot My Password' and 'Remember Me'. The main content area features a 'Welcome to UNOS Connect' message, stating it is the new location for all transplant education materials. Below this is a large blue box with the text 'Visit UNOS Connect: <https://unosconnect.unos.org>'. To the right of this box is a 'Direct line to help & support' button. At the bottom, there are two columns of text: 'Do you already use UNet<sup>SM</sup>? You have an account!' and 'Do you want to access this site?'. The first column explains that users of UNet, Waitlist, DonorNet, KPD, etc., can log on to Secure Enterprise and click Resources to reach UNOS Connect. The second column states that users without a UNet account or not affiliated with UNOS can register [here](#).

For assistance in locating, registering and starting courses, please review help documentation.

The screenshot shows a vertical navigation menu with the following items: Home, Course Catalog, Registrations, Transcript, Profile, and Help. The 'Help' item is highlighted with a red rectangular box.
