

**Interim Report of the
OPTN/UNOS MEMBERSHIP AND PROFESSIONAL STANDARDS COMMITTEE REPORT
June 8, 2011
Conference call and Live Meeting**

The Membership and Professional Standards Committee (MPSC) met by conference call on June 8, 2011, and considered the following items:

I. Action Items for Board Consideration:

None

II. Old Business

None

III. New Business

- UNOS Actions: The committee members agreed that actions regarding Bylaws and Policy, and program-specific decisions made during the OPTN session would be accepted as UNOS actions.
- OPTN Bylaws Rewrite: The Committee approved the plain language rewrites for new Appendices A through D for public comment.
- Center Specific Reviews: The Committee discussed two center-specific issues resulting from programs currently under review by the MPSC Performance Analysis Improvement Subcommittee (PAIS) review. The Committee agreed on elements for program reactivation for a liver transplant program. The Committee also discussed a kidney transplant program under review for waitlist inactivity and agreed to forward the matter to the PAIS for further deliberations.
- OPO Review: The Committee discussed an OPO that was involved in a potential disease transmission. The OPO was offered an interview at the July 2011 MPSC meeting.
- Proposal to Improve the Reporting of Living Donor Status: The Committee discussed this proposal to amend Policy 12.8.3.1 and agreed to support the proposal as written.
