Other Significant Items

1. Member Specific Issues

The Committee convened as an expedited threat review committee to consider two member hospital cases.

2. Member Related Actions and Personnel Changes

The Committee is charged with determining whether member clinical transplant programs, organ procurement organizations, histocompatibility laboratories, and non-institutional members meet and remain in compliance with membership criteria. During each meeting, it considers actions regarding the status of current members and new applicants. The Committee reviewed the applications and status changes listed below and recommend that the Board of Directors take the following actions:

New Members

- Fully approve 3 medical/scientific organizations

Existing Members

- Fully approve 1 new transplant program
- Fully approve reactivation of 2 transplant programs and one living donor component

The Committee also evaluated one key personnel change application.
