

OPTN/UNOS Transplant Administrators Committee (TAC)
Meeting Summary
May 27, 2015
Conference Call

Amy Peele RN, Chair
James Pittman RN, MSN, Vice Chair

Discussions of the full committee on May 27, 2015 are summarized below and will be reflected in the committee's next report to the OPTN/UNOS Board of Directors. Meeting summaries and reports to the Board are available at <http://optn.transplant.hrsa.gov>.

Significant Items

1. Updates to UNOS Websites

UNOS Communications reviewed changes that will be made to the organization's websites. On June 16th, unos.org and Transplant Pro will have updated features and a brand refresh. Transplant Living and the Transplant Administrators' website on UNet will be updated later in the year.

2. Policy Oversight Committee (POC) Update

The Committee vice-chair provided a high level overview of the following POC activities:

- Review of all committee projects and align them with the OPTN Strategic Plan with increased focus on goal 1 (increase the number of transplants) and goal 2 (provide equity in access to transplants)
- Proposal to increase committee terms to 3 years

3. Program Specific Reports (PSR) Update

The Committee vice-chair reviewed a spreadsheet he created showing the changes made to the data elements and the new associated co-efficient on the Kidney PSRs. One committee member commented that source documentation requirements need to be made clear for all data elements.
