Introduction

The Minority Affairs Committee met via Teleconference on 06/08/2017 to vote to send a guidance document to Public Comment on July 31st, 2017.

The following is a summary of the Committee's discussions.

- 1. Opening Discussion and Full Committee Vote to send Guidance to July 2017 Public Comment:** Guidance for Transplant Program Participation in the Transplantation of Non-A1/Non-A1B (A2/A2B) Donor Kidneys into Blood Group B Candidates

Summary of Discussion

Staff reviewed three requests for references to existing narrative from the Kidney Committee Leadership. No additional narrative was added or removed. The requested references will be added after the Public Comment period, beginning July 31st, has concluded since the references are not yet available.

Leadership from both the Kidney Committee and the Histocompatibility Committee reviewed the document in advance of the meeting.

The full Minority Affairs Committee voted unanimously to submit the guidance document for Public Comment on July 31st, 2017. Nine members of the sixteen members of the Committee were present to vote.
