Introduction

The OPTN Living Donor Committee (LDC) Social Media (SoMe) Workgroup met via Citrix GoToMeeting teleconference on 12/9/2019 to discuss the following agenda items:

1. Social Media (SoMe) Guidance Document Draft Approval
2. Publication Discussion

The following is a summary of the Workgroup's discussions.

1. Social Media (SoMe) Guidance Document Draft Approval

The final draft of the Social Media Guidance Document was sent to the Workgroup for review. The paper will go to the Living Donor Committee, UNOS Executive team, and HRSA for review. Once all feedback is incorporated, the final paper will be approved by the Living Donor Committee for the public comment cycle in January.

2. Publication Discussion

Some Workgroup members indicated their interest in working on a separate publication based on the Social Media Survey responses. This group will work on this publication independent of the Living Donor Committee.
