Introduction

The Ad Hoc Disease Transmission Advisory Committee met via Citrix GoToMeeting teleconference on 11/23/2020 to discuss the following agenda items:

1. Open Session: Changes to PHS Language
2. Closed Session: Confidential Peer Case Review

The following is a summary of the Committee's discussions.

1. Open Session: Changes to PHS Language

DTAC chair informed the committee that there would be multiple changes to the PHS language from the US Food and Drug Administration (FDA), but that the language was not ready for a vote at this committee meeting.

Summary of discussion:

Committee members had no questions or concerns.

Next steps:

UNOS liaison will distribute the updated language ahead of the next committee meeting for members to review.

2. Closed Session: Confidential Peer Case Review

Summary of discussion:

The Committee had a closed session of confidential medical peer review of potential donor derived transmission events.
